

Join the
DCCA
Democratic County Chairs Association

The DCCA is fast becoming a networked communication system for all
Florida DEC Chairs and Vice Chairs

The Democratic County Chairs Association is working hard to keep our Chairs informed.

We are moving forward in our efforts to:

1. Mentor Counties that Have Recently Gone Through Leadership Changes
2. Establish Executive Committees (DEC's) in those Counties That Still Need Them
3. Create a Base of Operations Through our New Website (to be online soon!)
4. Promote a Network of all Florida Chairs and Vice Chairs to Spread the Message and Information from the Florida Democratic Party

More than half of all the Florida DEC's are now members of the DCCA, but we need everyone on board!

The dues are \$100 every two years, and we are using the funds to hold meetings around Florida, create a communication network through our coming website, and to establish our district Board Positions so that every DEC Chair will have a connection throughout the upcoming election season.

If you would like to join the DCCA, please send your dues (made out to the: Democratic County Chairs Association) to:

Judy Becker, Treasurer
P.O. Box 274
Lawtey, FL 32058.

Thank you!
